15 Years K–T Z
Kraupa–Tuskany Zeidler, Berlin
14.11.2026–23.01.2027

Kraupa-Tuskany Zeidler is pleased to announce the group exhibition *15 Years K–T Z*, bringing together works by artists from the gallery's exhibition program of the past fifteen years and celebrating it's 15th anniversary.

Since its opening in late 2011 the gallery has hosted 76 exhibitions across its spaces in Berlin and Munich with 124 artists and collectives. Spanning earlier and recent production, the exhibition takes the form of a retrospective of the program and a homage to the artists and contributors who have shaped it.
